The third floor apartment is absolutely vast with 315 sqm of space and perfectly situated in what is quite simply the best location in Zermatt: in the heart of the village, next to the ice skating rinks (tennis courts in the summer), 1 minute away from the main shopping centre and 2 minutes away from the Gornergrat mountain railway.

It features 4 bedrooms, 5 bathrooms and a TV room which can be closed off and turned into a fifth bedroom if needed. It can sleep 8 adults comfortably, and up to 12 adults and kids in total. It of course has perfect Matterhorn views!

Guests staying in the Whymper have free access via a short tunnel to the [Schweizerhof hotel's](#) indoor swimming pool and extensive spa facilities, which is only available during peak season Winter & Summer.

The main and generous living area is comprised of three zones: the sitting room with its fireplace, a dining area with an adjoining open plan kitchen, and a study / TV room. All these areas are sunny and south-facing with spacious balconies and fabulous views.

All our twin beds are of the zip and lock variety so that they can be made up as doubles. They also have integrated extra fold-out beds which means that they can sleep up to 4 persons – suitable for kids.

The open-plan designer kitchen has every accessory you could possibly need, and a convivial breakfast bar.

Zermatt luxury self catered ski chalet apartment Whymper Residence in summary: the most perfect combination of location, style and space.
